Value Added Recruiting Services Provided by Quality Transitions, Inc.

Let our **Quality Transitions** team help you with your next recruiting requirement.

We have access to the **CareerBuilder Data Base 24/7**. CareerBuilder has over **17 million** resumes in their data base. Resumes can be sourced and screened to position specific qualifications.

QT employs a responsive team who provides our clients with a quick turn-around of sourcing and screening candidates.

Applicants are always pre-screened and interviewed before presenting to client for final selection.

QT will set up interview schedules for our clients.

Background and reference checks are completed by QT. Offer letters can also be presented to qualified candidates.

Fees are charged on a per hour basis - our clients are only responsible for hourly services. **We are VERY affordable!**

Your recruiting efforts for a specific position can be tracked by our team thus saving you time and money.

Can accommodate clients from different areas along the east coast.

If you are interested in any of these services, please give Dave Nichols a call for price quote....(401) 213-6260.
